This 1959 annual is a record of what the students of North Chicago Community High School have accomplished, on behalf of their school, during the past year. Within these pages is captured the spirit of a loyal, enthusiastic student body. Through the years to come, this yearbook will serve as a scrapbook, a reminder of the happy, nostalgic years in high school, when each student was struggling to find himself and his place in an adult society.

Bill,  
 Best of the  
 luck in the  
 future and  
 in everything  
 you do.  
 Lots of luck  
 Gary

In the past four years, the Class of 1959 has worked hard on many projects. Our athletic teams have won many honors and are looked upon with much pride. Much time has been spent on this year's Homecoming, Grad Hop, and Senior Class Play. Last year's Junior Class Play and Junior Prom occupied much of our time. Our time has been spent at work and at fun, things that will always bring happy and wonderful memories.

This year we have had to decide whether to further our education or to strike out on our own into the world after graduation. Some of us will go to work and others will go to college. This and many other important decisions this year have helped us to mature toward adulthood.

# JUNIORS

OFFICERS, left to right: Nancy Ostrowski, Secretary; Mike Brogan, Vice-President; Bonnie Kerin, Treasurer; Mr. Hawse, Sponsor; John Kowalski, President; Judy Kanerva, Prom Chairman.

The class of 1960 exhibited its sense of responsibility toward the building of a great tradition for our school through conducting successfully the two major projects it has planned for the school year; the Prom and the Junior Class Play.

The Prom was a financial success for the class and certainly a most enjoyable experience for those attending. A southern atmosphere was realistically and effectively created. It was, indeed, a credit to those who worked so hard on it for such a long period of time.

The Junior Class Play was another unquestionable success. Many juniors showed their class spirit through trying out for various parts in the play. They also worked hard on many committee assignments. Mr. Charles Palmer, Junior Class sponsor and director of the play, certainly had reason to be pleased at the interest and enthusiasm displayed by the members of the class.

The Junior Class as a whole, then, has displayed those characteristics which show that it will be able to carry well the honor of becoming the next senior class. They have shown a sense of responsibility, enthusiasm and school spirit. With these attributes, the class cannot help but be a great help in establishing sound traditions for our school.

# SOPHOMORES

OFFICERS, left to right: Maureen Gerzel, Treasurer; Peggy Skorpinski, Secretary; Beverly Koper, Vice-President; Larry Wells, President; Mr. McFarlane, Sponsor.

Our sophomore year was, in a sense, a year of retaliation. We made up for the mistakes we made as freshmen. We knew our teachers better, and we knew what to expect from them. We found that amidst our joy and fun, we now had a purpose in life. We began to work harder, and, believe it or not, we began to enjoy our work. A goal was ahead of us. Perhaps it was not a definite goal for all of us, but it was something to look forward to and to strive to attain. Yes, our sophomore years has brought us many things: maturity, a deeper bond to our school, and a better understanding of ourselves.

# FRESHMEN

Left to right: Joan Darrow, Treasurer; Betty Daniels, Secretary; Janet Fagan, Vice-President; Don Curtright, President.

The first day of school for us was one of fear and awe. As time passed, the fear gradually subsided, but the awe for the teachers and the largeness of the school still remained. The realization that the entrance into high school was accompanied by many responsibilities was complimented by enthusiasm and eagerness to work. We had much to give our new school, and we had much to learn about it. We gave it our fullest, and we found that the learning was fun. It made us a part of the school, and the school a part of us. We, as a class, are no longer outsiders looking in, we have become a necessary and wanted part in the mechanism of N.C.C.H.S.

as he was tutored by Coach Pierce several years ago. Coach Braden then tried and succeeded in bringing Coach Pierce to the North Chicago scene.

Coach Braden's final words to the team before leaving, other than the usual, "Well done," were to tell the team how great a job they had done during the past year, and that in the next year or two, they could emerge state champions.

Then left a truly great coach from North Chicago who will further and better his coaching career in the Far West, and who will be remembered for a long time in this high school.

Last year, Coach Braden's team lost only one dual or triangular meet, and that was because he could not use the Hawks' full strength. Coach Braden also guided the team to a double victory, in the Lake County Meet against a highly touted Waukegan team, and in the Tri-County Conference Meet against a strong Palatine aggregation.

Towards the end of the season, all the men who had competed in track that year were sad to hear that Coach Braden was leaving North Chicago. However, everyone was pleased to hear Coach Braden applaud Coach "Babe" Pierce, saying that he was the best track coach in the state. Coach Braden said this from experience

*Best Wishes

Coach Ed Wood's high-flying Warhawks, always a serious threat for any team, soared to new heights during the 1958-'59 season. During the regular season, the Hawks emerged victorious in 21 of 23 games and captured their second consecutive Tri-County Conference title with a 10-0 record.

The Hawks started off slowly this past season, winning their first two games by slim margins and then having their wings clipped at Highland Park. However, after the Thanksgiving vacation, the Hawks found their potential by dropping highly touted Elgin on the opponent's court. Adding a fitting climax to the first Bloom game was a 75 foot heave by Jerry Bernardi at the final buzzer which caromed off the backboard into the net.

During the season, the rebounding of Bob Armstead, Jerry Bernardi, Dave Bolger, and Jerry Oglesby was outstanding, as was the ball handling of Alex Phillips and the aggressiveness and all around play of Wendell Hall and Maurice Guins.

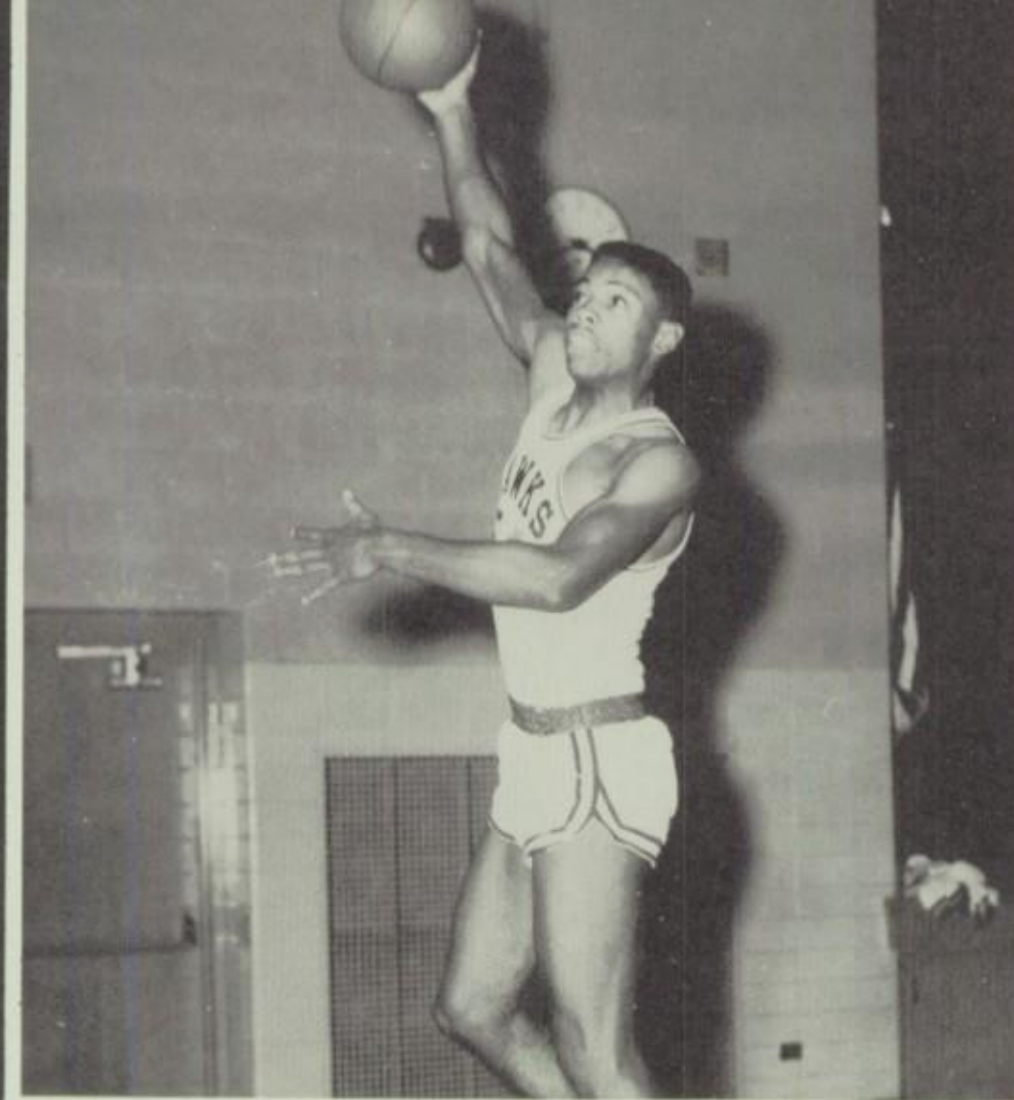

In the North Chicago Regional, the Hawks jumped off to a quick start in downing Lake Forest and New Trier. The championship game was the first time that rivals Waukegan and North Chicago appeared together in a varsity basketball game. The Bulldogs proved too much for the Hawks, who, though never ahead, never gave up. After being downed by sixteen points in the third period, the Hawks fought back to within three points of winning the game.

The spirit of the Hawks throughout the year was that of victory. However, in each of their three defeats, the Hawks and their fans showed that they can be good losers as well as good winners. Although everyone wants to see his team win, there must be a loser. Therefore, the main theme of basketball, as in all sports and games, is good sportsmanship.

Coach Guy Curtright's 1958 Varsity Baseball Squad ended the year with a fine record of 24 wins, 8 losses, and one tie. The team won Tri-County Conference honors with a 9-1 record. They won five games in the State Tournament before bowing to Maine, the eventual state champions, with a score of 4-3, in the last inning. The high point for the team was playing in the State Tournament and doing so well.

Two records were broken during the year as Jim Gerzel batted a phenomenal .457 in leading the team to a .326 batting average as a whole.

Cheerleaders before the crowd.

Enthusiastic shouts of "Go Team Go!" and "Yea, Red, Yea, White!" can be heard at all of N.C.C.H.S.'s sporting events. Leading the Warhawk routers are the sparkling Varsity and Frosh-Soph cheerleaders.

These girls work throughout the year to build school spirit and to gain support for the teams. As a result of their efforts, attendance is high and interest is keen in all sporting events, both at home and away.

A salute, then, and three big cheers to the girls who add pep and enthusiasm to N.C.'s sports' program—the cheerleaders.

The 1959 Class Councils have been very busy this year. Their many duties included collecting class dues, working on concessions, the Grad Hop, and the Junior Prom. The officers and members have done an excellent job.

These people, who have led the classes so capably throughout the year, deserve all the credit they have received and perhaps even more. The students of N.C.C.H.S. will forever be grateful for all they have done.

## THE INSTRUMENTAL MUSIC DEPARTMENT

Our school is very fortunate to possess the first place winners of the down-state musical competition. The band, under the direction and supervision of Mr. Zaumeyer, has made tremendous strides in the past five years. It is made up of many accomplished musicians who have mastered every type of music imaginable. This is another group of students of which N.C.C.H.S. can be extremely proud.

## GIRLS' ENSEMBLE

It takes time and effort on the part of all organizations to build the reputation of a school. The musical organizations here at North Chicago have done much to develop the cultural reputation of our high school.

Throughout the course of the year, the A Cappella Choir and choruses participated in both a Christmas Concert and a Spring concert, as well as performing before various club groups in this area. Several small singing groups have also been formed in the past years under the aid and direction of Mr. McFarlane. Through his efforts, the school's vocal department has developed rapidly and should continue to progress throughout the days to come.

North Chicago has had the most successful speech year in its history. The newly organized debate team of 1958 began competing on the varsity level. In the final three months of the season, the team debated in tournaments at Northwestern University, Augustans College and Navy Pier. The record for the team was 33 and 19. Joyce Peters, Ed Dolinar, Julie Butkus, and Peggy Skorpinski were the varsity members.

The Illinois High School District Speech meet was held at N.C.C.H.S. Karen Kirn took second in original oratory to qualify for sectionals. N.C.C.H.S. entered several events, including a cutting from *Twelve Angry Women*. The third annual N.C.C.H.S. Student Senate was organized and began debating national problems in the speech classes.

The year was highly successful and carried the name of N.C.C.H.S. throughout the state.

These activities are under the direction of Mr. Donovan Cummings.

## THE D.O., D.E., and O.O. PROGRAM

This year, as in previous years, the programs were filled and the goals achieved. Students who were interested in a career in distribution of goods and services were members of Distributive Education. On the other hand, Office Occupations was open to students who wanted a career as a book-keeper, stenographer, clerk-typist, data-processing operator, or receptionist. Students on the Diversified Occupations Program, as the name implies, participated in a wide variety of occupations in trades and industries.

The purpose of Athena is:

- (1) to promote better relationship between girls.
- (2) to sponsor worthy activities for students and school.
- (3) to render services to the community.

These goals were fulfilled by Athena and its members working to their fullest to make such events as Big and Little Sister Day, Hi Day, Thanksgiving Basket, Christmas Breakfast, Birthday Banquet, St. Valentine's Dance, Athena Carnival, Ice Cream Social, and the Senior Tea, a great success.

# GIRLS' ATHLETIC ASSOCIATION

The purpose of the Girls' Athletic Association is to promote athletic and social activities for all high school girls and to foster the highest ideals of good sportsmanship, leadership, and fellowship. Membership is open to all girls at N.C.C.H.S. No girl joins the club in the direct sense of joining a club. Membership is automatic with taking part in activities after school sponsored by the club and the earning of athletic points. Athletic points may be earned by participating in the G.A.A. intramural sports' program. Awards are given on the basis of points earned.

# ORIENTAL

The Warhawks in action.

Avid enthusiasts who helped make the Homecoming festivities some of the best.

The 1958 Homecoming court walks onto the football field with their escorts.

Fierce dragons guarded the scene while Japanese lanterns and Fuji-Yama added to the splendor of Oriental Paradise. Mary Ann Bioletto reigned as queen, with Loretta Chamernik, Mary Alice Chamernik, Claire Cossette, Barbara Hrutka, Deanna Smith, and Penny Walkanoff on the court. Soft music, played by Alexander's Band, set the mood which helped everyone have an enjoyable time.

A fountain of flowers flowing with enchantment.

The 1958 Junior Prom found many enchanted couples spending a romantic "Evening in Paris." It was a long-awaited night, one which had been carefully planned during the preceding months. Certainly, the results were well worth the wait. This magic evening found a glamorous and excited Mary Alice Chamernik crowned prom queen.

Her last precious moments as queen.

# 'TIL WE MEET AGAIN

And a lovely time was had by all, except Bill Jordan?

My what a beautiful Christmas tree!

Best of Luck  
We have been friends  
for so long that it would  
be a shame for me to miss up  
your annual like this but I will  
way. I hope you have success in whatever  
you choose to do next year. The Cubs will finish  
in the cellar again so why don't you lay off them  
and follow the White Sox. You are the smartest guy I know.  
It's a miracle that after all these years and all the fights we've  
had that we are still the best of friends. I hope we continue  
has we have in the past. Keep in touch with me next  
year.

Your Best Friend (2 hope!)  
Bob Kashner

Bill,  
I think never gotten  
to know each other real  
well, but you're a wonderful  
person and I know that  
you'll have a truly good life  
Luck always,
